IEA Bioenergy Task 39 Newsletter #50 released

The latest Newsletter #50 from IEA Bioenergy Task 39 can be found on the Task Website.

This "seasonal" issue features a lead article by our colleagues at the EU's Joint Research Centre (JRC) on "Biofuels Production and Consumption in the European Union: Status, Advances and Challenges". It also includes a summary of most recent Task 39 meeting held in San Francisco, in conjunction with the IEA Bioenergy end-of-triennium (ExCo82) meeting and the Advanced Bioeconomy Leadership Conference GLOBAL (ABLC GLOBAL). The newsletter closes with a summary of some recent reports and news articles of interest to biofuels stakeholders.
