## 5th International Conference on Lignocellulosic Ethanol

15-17 September 2015, Brussels

Following the success of the four International Conferences on Lignocellulosic Ethanol, the Directorate General for Energy of the European Commission is organizing the 5th Conference in Brussels in close cooperation with the industry. The Conference will be facilitated by DuPont and all participants will be invited to visit its enzyme commercial plant at Bruges.

Draft Programme:

Tuesday, 15 September 2015

- Opening Session
- Keynote Presentations, Setting the scene
- ILUC's hangover, how can the industry move forward?
- Commercial project financing

Wednesday, 16 September 2015

- Flagship plants
- Biorefineries & Co-products
- DuPont's plant visit in Bruges
- Triennale Bruges tour & Conference Dinner

Thursday 17 September 2015

- Supply chain commercial development
- Biomass Availability
- Land abandoning & land availability

If you wish to register for the 5ICLE please use the online registration website:

<https://ec.europa.eu/eusurvey/runner/5ICLE>

If you wish to give a presentation at the conference, please submit a one page abstract indicating the session of your preference to: [Kyriakos.Maniatis@ec.europa.eu](mailto:Kyriakos.Maniatis@ec.europa.eu)
